

September 19, 2009

I am running for Mayor of Annapolis and will continue to fight for all residents, many of whom are calling, texting and e-mailing me with extraordinary support. The same support I am getting from the chair of the Annapolis Democratic Central Committee. I will continue to be accountable, transparent and a strong leader. Misinformation led to the confusion of the last two days. We will hold a news conference on Wednesday to address issues in detail.

Zina C. Pierre
