ATTEMPTED MURDER/ HOME INVASION

ODENTON

On February 2, 2010, at approximately 8:55 p.m., officers from the Western District responded to the 500 block of Williamsburg Lane in Odenton for a report of a home invasion/shooting.

Upon arrival, officers located a 24-year-old male victim inside of the residence suffering from multiple gunshot wounds. Additionally, they located a 21-year-old female victim inside of the residence suffering from injuries apparently sustained by blunt force trauma. Both victims were treated by responding Fire Department personnel and transported to University of Maryland Shock Trauma. The 24-year-old male victim is currently in critical condition and the 21-year-old female victim has since been treated and released.

Homicide detectives responded to the scene to conduct an investigation. Through investigation, they determined that two male suspects entered the residence and then overpowered a 74-year-old male victim. A short time later, the suspects encountered the aforementioned male and female victim and a struggle ensued. During the struggle, the male victim was shot multiple times and the female victim sustained injuries from blunt force trauma although it is unknown what caused those injuries. The suspects fled the residence and entered a vehicle described as a silver Dodge pickup truck. Numerous officers canvassed the area, but were unable to locate the suspects.

At this time, the motive is unknown, but detectives are looking into the possibility that the victims may have been targeted. The investigation is ongoing and anyone with information on this crime is encouraged to contact the Major Crimes Section Homicide Unit at 410-222-3566 or Metro Crime Stoppers.
